

HITTERS PROGRAM

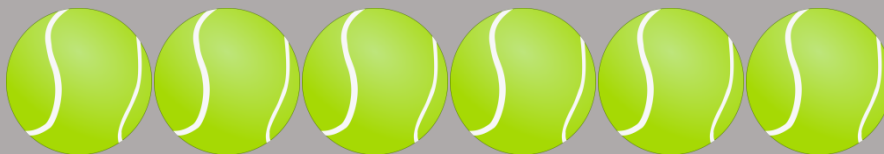

This program is for any of our Residents that are looking for a strong, steady hit of tennis to groove their strokes or play out points. We will have High School level players available on select weekends to hit with. This is a great way for juniors to be exposed to High School players or for adults to get a good steady rhythm for their own game.

Times Offered: (August - November)

Saturday 12-3pm

Sunday 10-1pm

Other times available upon request.

30 minutes - \$12

1 hour - \$18
